

Engineering & Quantity Surveying Bursaries - 2026

Centurion, ZAF

ReqId:REF54092C
Career Area:Engineering
Business Line:Corporate
Business Group:DCS

AECOM's **Enterprise Capabilities** team is looking for full-time students studying towards an Engineering or Quantity Surveying qualification to apply for our 2026 bursary.

About Enterprise Capabilities

Fundamental to our *Think and Act Globally* strategy and digital adoption, Enterprise Capabilities (EC) is AECOM's primary vehicle for workshare. Operating across geographic boundaries and time-zones, EC partners with regional and Global Business Line project teams to provide technical expertise, accelerate delivery and keep AECOM competitive in the industry.

With a team of over 3000 technical professionals located across nine countries and remote technical anchors, EC teams are trusted to deliver high-quality, specialist services that help to fill capability gaps, resourcing needs and technical constraints on projects of all scopes and sizes.

Start here. Grow here.

Job Description

As part of our commitment to grow and develop skills, experience and excellence in the built environment, AECOM SA (Pty) Ltd is offering bursaries to South African students that are pursuing a career and/or currently studying Civil, Mechanical, Electrical Engineering or Quantity Surveying on a full-time basis at a South African Tertiary Institution.

Applications will be considered from students, who comply with the entrance requirements for the above-mentioned fields of study, who intend to enroll for full-time studies and excel in their current field of study in line with the guidelines.

Open To All Aspiring:

Civil Engineers, Electrical engineers, Mechanical Engineers (including Rail Engineers), Quantity Surveyors

What Does The Bursary Cover?

Tuition Fees, Books, Accommodation all up to a maximum of R100,000.00 (One Hundred Thousand Rand) per annum.

A laptop up to the value of R8,000.00 (Eight Thousand Rand) once off.

Will The Bursary Be Available Throughout My Studies?

The tenure of the bursary is subject to the approved bursar consistently achieving good academic results. Should a bursary holder's academic results fall below an average of 65%, the continuation of the bursary may be reviewed.

How do I apply?

Complete your application electronically by clicking on the "Apply To Job" button below before by no later than **21 November 2025** and **complete the** Bursary form.

The approved bursary holder will be required to work at AECOM post their qualification for every year AECOM contributed to the studies.

Minimum Requirements:

- Must be a South Africa citizen.
- Highly motivated individual.
- Passion and commitment to pursue a career in the built environment.
- No work experience is required.
- Preferred average mark of 75% in Mathematics and Science
- Preferred average mark of 65% in your most recent year at tertiary level.

Qualifications

- Grade 12
- Successfully passed grade 12 (matric) with a 75% average or currently maintaining above 65% at a tertiary level
- Registered at a recognised tertiary institution in South Africa to study towards an Engineering or Quantity Surveying qualification
